Position: Outpatient Therapist (Children)

Close Date: Open until filled

Hours: Part-time (approximately 15 hours per week)

Job Summary: This position is responsible for providing individual, family, and group therapy to designated clients in the children's outpatient therapy program.

Job Description:

1. Provide individual, family, and/or group therapy with intake screening, outpatient therapy clients.
2. Complete intake, assessment, treatment planning, and case review for designated clientele.
3. Maintain monthly productivity standards and update clinical records in a timely and comprehensive manner, and in accordance with agency policies and procedures.
4. Maintain appropriate professional boundaries with clients, families, co-workers, and community resources.
5. Ensure compliance with appropriate mental health laws and client rights.
6. Participate in clinical supervision as arranged.
7. Develop and/or maintain effective relationships with representatives of the community and relevant community resources (e.g. schools, courts, treatment facilities, etc.) in order to facilitate and enhance services.
8. Participate on request in community education programs or program development and enhancement activities.

Qualifications: Master's Degree in Social Work or closely related field. Must have LCPC/LCSW, or be eligible for licensure following supervision. Prefer at least one year of experience working with children with serious emotional disturbances.

Please submit resume and cover letter.
